

# INCREASE YOUR MARGINS WITH SCAN TECHNOLOGY

**Kodak alaris**

midwich

We know you're already selling print hardware to your customers. Why not offer them the full document management solution by including a Kodak Alaris scan to your offering?

Not only can this provide you with healthy margins, your customer's satisfaction will increase through receiving the full solution for their organisation. Plus it can prevent your customers looking to competitors for support.

**SELLING IN TO THE PUBLIC SECTOR?**

**SAVE UP TO 50% OFF RRP ON KODAK ALARIS DESKTOP SCANNER RANGE...**

Superior for volume scanning and key for high-productivity, these scanners are perfect for admin use, updating student or patient records and much more.

**UP TO 50% OFF RRP ON SELECTED I1000, I2000, I3000 KODAK SCAN MODELS**
