

The Midwich logo is positioned at the top center of the page. It consists of the word "midwich" in a white, lowercase, sans-serif font, with a white curved line above the letters "i" and "d". The logo is set against a solid purple rectangular background.

midwich

The background of the entire advertisement is a dramatic, high-contrast image. It features a central explosion of a flower, likely a chrysanthemum, with petals in shades of yellow and pink. The explosion is surrounded by a spray of fine, golden particles that catch the light, creating a sparkling effect. The overall composition is set against a dark, almost black background, with some lighter, smoky or smoky-like textures radiating from the central flower explosion.
