

# OKI'S C650

## A COLOURFUL FUTURE FOR EDUCATION

As device flexibility and 24/7 connectivity becomes part of daily life, cost-effective digital printing, document management and connectivity have an important role to play in learning and the creation of educational materials.

With OKI, teachers and students can embrace new print technology without having to compromise on quality or creativity.

### 1 Round Stickers

### 8 OKI's C650 Printer

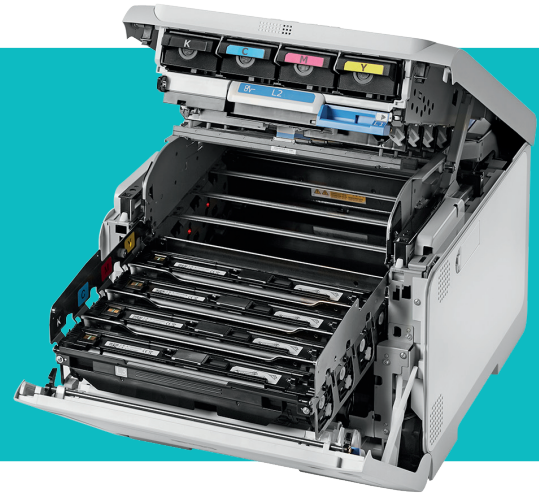

C650 is compact with unrivalled media flexibility and no compromise on performance

## OKI'S C650 IT'S THE LITTLE THINGS

### THAT MAKE A LOT HAPPEN...

- Compact, requiring **minimal space** to place and operate
- Perform all operations **quickly and easily** with full front access – no need to move the device
- Minimum installation space, minimum operating space, maximum performance
- High quality colour - no compromise on students' learning experience

### NO COMPROMISE ON PERFORMANCE

**LED technology** - provides superior colour quality

**Unrivalled media flexibility** - 35ppm A4 colour prints, 60 to 256gsm media weight and B8 to 1.32 m banners all from one device

**Designed to just keep printing** - extremely robust with metal parts rather than plastic

**Unrivalled ROI** - Separate toners and drums lowers running costs, ensuring excellent total cost of ownership

- The Design Hub, powered by Shoppa - for all your print and design needs, in-house
- Access a library of templates and graphics or create your own with easy to use 'drag and drop' functionality
- QR code generator promotes customer engagement through low-touch communications

- Personalise your communications with variable data printing
- Manage your printer and media settings with pre-set custom media files
- Monitor your consumables status and order online when needed
