Sell 5 scanners and claim your special gift!

Our Take 5 promotion is available until 31st October 2018, so the sooner you make your sales, the sooner you can claim your special gifts or extra Imaging Rewards points.

For every 5 qualifying sales, you can claim the gift or extra Imaging Rewards points detailed in the table below. Each specified gift is only available with 5 sales of the qualifying products – so 5 sales split across two or more qualifying products do not qualify.

You can claim up to a maximum of 3 special gifts or 3 allocations of extra Imaging Rewards points (or any combination of special gifts and extra points) during the promotion.
